Board Chair Puig noted that President Rosenberg submitted a list of goals to be considered for his 2016-17 management review. She stated that in accordance with the President’s employment agreement, the goals were taken directly from the University’s Work Plan, which she noted consisted of the BOG’s 10 performance funding metrics given the increasing importance of Performance Funding to the University’s budget.

A motion was made and passed that the FIU Board of Trustees adopt the University and President’s Performance Goals for the 2016-17 academic year as included in the Board materials.

He noted that the Institute of International Education honored FIU with its 2016 Andrew Heiskell Award for Internationalizing the Campus, recognizing the University’s Global Learning for Global Citizenship initiative.

**Governance Committee Report**

Board Chair Puig presented highlights from the Governance Committee’s meeting earlier in the day. She reported that the Governance Committee reviewed and approved the President’s Incentive Goals for the 2016-17 academic year. She added that the Incentive Goals focus on increasing patent production to 10 while achieving at least $166M in research expenditures, raising at least $50M toward the capital campaign and increasing the number of students participating in internships to 5,242. She noted that the fifth goal relates to other major priorities, such as various workforce development and community engagement initiatives.

**8. New Business**

Chair Puig noted that a Board retreat would provide the opportunity to examine and evaluate performance, both individually and collectively, noting that a retreat would be scheduled prior to the end of the academic year. She discussed her disappointment with the content and tone of the OpEd *Complacent Legislature’ is stifling FIU’s progress* and provided each Trustee with the opportunity to comment.

Board Vice Chair Jorge L. Arrizurieta read an excerpt from the June 12, 2009 FIU Board of Trustees Full Board Meeting Minutes, which noted that he voted against the extension to the Employment Agreement for then University President Modesto A. Maidique. Vice Chair Arrizurieta added that his sentiments remain the same, stating that President Rosenberg should be afforded the professional courtesy and space necessary to effectively carry out his duties and responsibilities free of any external interference.

Trustee Grant stated that the authors should have specified that they were expressing their own opinions and not speaking on behalf of the University. He added that the content of the piece was disappointing and inconsistent with the demeanor of a past president. Trustee Leonard Boord stated that the article did not warrant or merit a response or further attention. Trustee Justo L. Pozo
added that the piece was not an accurate representation of FIU and that a response to address the inaccuracies would be an appropriate course of action. Trustee Marc D. Sarnoff noted that his comments would be limited given his short tenure on the Board of Trustees and urged the University to continue to increase its footprint in the community and beyond.

Trustee Kathleen L. Wilson expressed, as a faculty member and spokesperson for the University’s Faculty, that the piece was inaccurate and embarrassing and lacked the academic rigor that forms part of any publication. She added that the co-author of the OpEd piece is not a spokesperson of the Faculty and was not elected or appointed by the University’s Faculty Senate, adding that the Board should issue a response. Trustee Alian Collazo stated that FIU students are qualified and hardworking and are not to be categorized as bottom-tiered.

Trustee Michael G. Joseph noted that a past president possessing emeritus status is expected to conduct themselves with more uniform decorum and propriety. Trustee Armas expressed his discontent, noting that the piece contained inaccuracies. Trustees Armas and Joseph requested a review of University policies and procedures and recommended that Board Chair Puig form a committee to continue the discussion and make a recommendation for the Board’s consideration.

In response to Trustee comments, Trustee Natasha Lowell recommended that Chair Puig draft an OpEd letter in order to address the facts. Board Chair Puig noted the benefits of a retreat given that the Board has welcomed new members since the last retreat. She then summarized the next steps: (1) a Board retreat will be scheduled in the coming months; (2) the formation of a committee of the Board to review current naming policies and make a recommendation for the Board’s consideration; and (3) a letter would be drafted, not in response to the article, but to address inaccuracies and reaffirm the Board’s unified support of the University.

9. Concluding Remarks and Adjournment
With no other business, Board Chair Claudia Puig adjourned the meeting of the Florida International University Board of Trustees on Thursday, June 2, 2016 at 3:31 p.m.
