Interim Vice President for Human Resources El pagnier K. She described the key non-economic changes, which clarified that seniority will be the basis for a layoff and added the requirement to notify the Chief of Police in writing when selecting FIU PBA representatives. She delineated the economic changes to the agreements, which included an increase in the uniform allowance and the addition of a sick leave incentive. She noted that no other wage increases were approved except for the sworn law enforcement certification award. She explained that the PBA- Rank and File agreement was also changed to allow non-exempt employees to accrue up to 160 hours of compensatory time to be paid at separation. Ms. Hudson indicated that the Unions agreed to have the new agreements start with a term beginning on the date of ratification and running through June 30, 2021.

G3. Revisions to Regulation FIU-1502 Direct Support Organizations

General Counsel Castillo presented the revisions to Regulation FIU-1502 Direct Support Organizations for Committee review. He explained that in 2018, Senate Bill 4 was passed by the State Legislature and signed into law by the Governor and included amendments to Florida's statutory law with respect to Direct Support Organizations (DSOs). He stated that in response to Senate Bill 4, the Board of Governors (BOG), at their November 2018 meetings, passed amendments to BOG Regulation 9.011, which covers DSOs and Health Services Support Organizations. He indicated that the legislative and BOG amendments required the University to review existing Regulation FIU-1502 on DSOs and make the amendments.

General Counsel Castillo explained that Trustee Dean C. Colson was asked to serve as the Board of Trustees’ designated point person to work with the University administration to develop and finalize amendments to the University’s DSO Regulation and the delegations of Presidential authority. General Counsel Castillo stated that three publicly noticed meetings were held where Trustees Leonard Boord, Roger Tovar, and/or Gerald C. Grant, Jr., members of the FIU Foundation Board of Directors, and University administrators participated.

General Counsel Castillo described the three key areas of BOG amendments, noting that these pertained to real estate and construction renovation thresholds, purchases of goods and services thresholds, and Board of Trustees appointments to DSOs. He then delineated the proposed thresholds pertaining to real estate and construction renovation and the purchases of goods and services. He provided an overview of the requirements relating to Board of Trustees appointments.
A motion was made and unanimously passed that the FIU Board of Trustees Governance Committee recommend to the FIU Board of Trustees the approval of the revisions to Regulation FIU-1502 Direct Support Organizations.

**G4. Presidential Delegations of Authority**

General Counsel Castillo explained that at the request of the BOG, SUS institutions have been in the process of reviewing and amending their delegations of authority to their respective Presidents. He noted that the BOG requested during the fall of 2016 that each SUS institution, through their respective Board Chairs, submit to the BOG a summary of existing delegations and that subsequently, the BOG asked the Board Chairs to assess their respective institution’s delegations based on a discussion draft of Delegation Best Practices and Principles. General Counsel Castillo explained that the University timely complied with those requests.

General Counsel Castillo also explained that University administrators worked with Trustee Colson in order to develop and finalize the proposed omnibus Resolution on the Delegations of Authority from the Board of Trustees to the President. He explained that the copy of the Resolution before the Trustees included red-lining to reflect several proposed scrivener-type changes. General Counsel Castillo described the key provisions of the Resolution, noting that the Resolution recognized the President’s authority to operate and administer the University, rescinded and replaced prior Board of Trustees’ Resolutions, and addressed the delegations of the BOG’s Best Practices draft. General Counsel Castillo then delineated the proposed thresholds pertaining to real estate construction/change orders and real estate leases. He also addressed the thresholds relating to goods and services, explaining that the thresholds apply the same numeric thresholds as in revised Regulation FIU-1502.

A motion was made and unanimously passed that the FIU Board of Trustees Governance Committee recommend to the FIU Board of Trustees the approval of the Resolution on the Delegations of Authority from the Board of Trustees to the President. *Attachment A (as revised/final).*
